Medical, AV, & Productivity Equipment

The following items are available at the circulation desk.

Medical Equipment

The library offers blood pressure cuffs and diagnostic sets containing an ophthalmoscope, otoscope and throat illuminator for use inside or outside the library.

Adapters and remotes

The library has adapters (dongles) available to connect your computer to the video displays in our conference rooms. Remote controls for all monitors are also available. Adapter styles and cables include:

- USB-C to HDMI
- HDMI cables
- Mini DisplayPort to HDMI

Productivity tools

These items are intended for in-library use only

- phone chargers (lightning, USB-C, micro-USB)
- computer chargers (type USB-C and Apple MagSafe 2, 3)
- headphones
- a Mobile Monitor Cart with a DVD/VCR combo

Please call us at 503-8126 with any questions or inquiries about equipment and related policies.
